Kendall B. Castle, Esq.,

1004 Granite Building,

Rochester, New York.

Dear Mr. Castle:

Many thanks for the list of our graduates which you have sent me. I am glad to have the revised list. I look back with the greatest pleasure to my day with you in Rochester. I should like, as you suggest, to go back sometime in spring or summer when I may get a better idea of the beauties of the city. If you see Professor Cross will you please give him my kind regards.

I am,

Yours sincerely,

President.
